## Monthly Agency Report

All agencies are required to report numbers served for the month. The reports are due to be turned in by the 15<sup>th</sup> of the following month or agency will be put on suspension until report is turned in. Even if you had no activity for that month a report must be turned in with zeros filled in the blanks.

MONTH THAT IS BEING REPORTED \_\_\_\_\_

AGENCY # \_\_\_\_\_ AGENCY NAME \_\_\_\_\_

CITY \_\_\_\_\_ AGENCY SIGNATURE \_\_\_\_\_

*\*\*Please enter the agency name as we have it in our records, if agency name is different let us know so we can change your record in our system\*\**

**ON -SITE AGENCY:** Enter the total number of meals served. Then break down number of individuals by ethnicity. (Make sure each person is counted only 1 time no matter how many times they were served during that month!) For example: If you served 30 people 2 meals per day and you served meals 31 days that month, the total number of meals served that month would be 1860. (Take number of individual's 30 x number of meals 2 x number of days meals were served 31) Calculation: (30 x 2 x 31 = 1860)

<u>Total Number of Individuals</u>	Caucasian	African American	Asian	Hispanic	American Indian	Other	<u>Total Number of Meals</u>

**PANTRY:** Enter the total number of families that you served for the month and then enter the number of individuals that made up those families broken down by ethnicity. (Make sure each family and individual are only counted once no matter how many times they received food during that month!)

<u>Total Number of Individuals</u>	Caucasian	African American	Asian	Hispanic	American Indian	Other	<u>Total Number of Families</u>
